

HAUL OUT 2011

Custom Spring Service

Enjoy a Spring Haul Out and Service with us this year

We can perform the most basic repairs to complete engine service on gas and diesel marine engines. Our Bottom Paint is value priced to save you money . All paint offered is Ablative and minimizes build up and growth. We use only the finest zincs available and they are discounted too. If you want your boat detailed, our guys are the best. Your boat will shine like new and you'll be proud to show it off to your friends. Contact us today for a Haul out date.
